EXHIBIT C

FORM OF TRANSFER NOTICE AND CERTIFICATE

This Transfer Notice and Certificate, dated 31 May 2016, is issued pursuant to **Section 2.1(c)** of the Sourcing, Development and Purchase Agreement dated as of 30 May 2016, by and between NVI Energy, Ltd ("***Developer***") and CrossBoundary Energy, LLC ("***Investor***") (as amended from time to time, the ***"Agreement"***). Capitalized terms have the same meaning as in the Agreement.

Developer hereby presents to Investor the applicable Project and certifies to Investor, as of the date hereof, that:

(a) Developer offers to transfer, and requests that Investor purchase, the Project described in **Schedule 1**;

(b) the information in **Schedule 1** is complete and accurate;

(c) the name and address of each potential customer, the size of each Project to be installed at Host Customer's property is attached hereto as **Schedule 1**;

(d) the requested Purchase Price is Two Million One Hundred and Nine thousand Two hundred Dollars ($2,109,200);

(e) the requested Project Purchase Date is 1 June 2016;

(f) all representations and warranties of Developer set forth in **Article 3** of the Agreement are true and correct in all material respects;

(g) fully executed copies of the Customer Agreement and each other agreement between Developer or any of its Affiliates and the Customer relating to the Project have been provided to Developer and are listed on **Schedule 1**

(h) copies of the installer and manufacturers' warranties to the installation, equipment used or to be used in each of the Projects have been delivered to Investor by Developer;

(i) a completed Assignment, Assumption and Transfer Agreement is attached hereto as **Schedule 2**;

(j) a completed Completion Certificate is attached hereto as **Schedule 3**; and

(k) Developer will deliver all further information and documents reasonably requested by Investor in connection with this Transfer Notice and Certificate.

(l) Developer confirms that Customer approved the Facilities Design, EPC

Contract, O&M Contract, scope of SFA Works, Project Schedule, Schedule of Site Access and Insurance Cover (each as defined in the Customer Agreement).

(m) For so long as the Developer is appointed as manager and operator for the Facilities, the Developer will indemnify and hold Investor harmless for any losses due to payment of Liquidated Damages to the client in the event of activation of the availability guarantee, provided such was not as a result of actions or inactions of the Investor.

(n) Investor will make two payments of $25,000, payable at 12 and 24 months from the date of commissioning. Payment of these amounts will be net of performance (at 0.26 / kWh and as projected in the base case GC financial model for the first two years) and net of any withholding tax that the fund may have had to incur during that period.

(o) In respect of the 24 month performance warranty period, the Developer shall pay the performance liquidated damages (PLD) (calculated on a pro rata basis and payable as outlined in the EPC contract with Solar Century), at a rate of $12,468 for each 1% below the guaranteed performance (as defined in the EPC contract with Solar Century), to the Investor. The aggregate PLD payable will not exceed $94,460. The PLD payable will first be applied by decreasing the payments outlined in (n) above.

(p) The Developer will pay 50% of all revenue earned and collected from the client prior to receipt of the Purchase Price, to the Investor. 50% of any revenue collected by the Investor from the client, which relates to the period prior to receipt of the Purchase Price by the Developer, is to be paid to the Developer.
